

## the conference

The BPM Asia Conference, being jointly organized by Confederation of Indian Industry and Q3 Edge Leonardo Consulting, Australia will showcase some of the best BPM practices and results from Indian and Asian companies in a competitive mode. This will generate cross learning for both competitors and participating delegates across industry segments and geographies.

**Meet Roger Tregear the BPM guru  
at the Conference**

## the championship

The Championship is intended to recognize the best BPM practices adopted by Asian companies and how their efforts have led to business transformation. The championship citation will be awarded by Confederation of Indian Industry and Q3 Edge Leonardo Consulting to the participating companies evaluated by an eminent panel of judges based on objective criteria indices.

The awards

- The BPM Asia Star
- The BPM Asia Master
- The BPM Asia Achiever

# BPM Asia Conference 2018

## TRANSFORMING BUSINESSES THROUGH PROCESS- BASED MANAGEMENT

8- 9 August, 2018  
New Delhi

Confederation of Indian Industry

## about the conference

The BPM Asia Conference is a knowledge platform for sharing best practices in process management leading to significant transformational changes in the manner in which businesses are run. Sound process management brings about unprecedented improvements in cost efficiencies, customer acquisition, employee engagement, corporate governance and organizational brand value

Listen to Top management leaders speak on their transformational journeys.

(This is not about Business Process outsourcing, often misrepresented as BPM)

India's BPM story is just beginning to unfold. Become the change leader. Learn from the masters.

Modeling a world class organization through effective BPM strategies

Enhancing Corporate Governance effectiveness through BPM

Developing a process architecture that works to deliver strategy

Using BPM to mitigate risks and develop organizational resilience

Creating added value through process optimization

The art and science of managing change

Creating and managing a Process Office

Reconciling business rules with business processes

**The BPM Star Asia Championship sets up a healthy competition among the best-case models**  
**Take the challenge and lift the trophy**

organized by

**INSTITUTE  
of QUALITY**
